RISK DISCLOSURE: PLEASE READ BEFORE YOU PROCEED

All investments involve risk, including loss of principal. Forex Auto Trading has large potential rewards, but also large potential risk. You must be aware of the risks and be willing to accept them in order to invest in the Forex market. Don't trade with money you can't afford to lose. The past performance of any trading system or methodology is not necessarily indicative of future results.

Trading Foreign Currencies ("forex") or considering manual trade alerts is not appropriate for all investors, and the risks of Forex trading can be substantial. You should consult with your personal financial advisor and carefully consider whether Forex trading is right for you in light of your particular circumstances and financial resources.

By acknowledging this statement and reviewing any trade alert or choosing to auto trade (from indicators or EA), you acknowledge that R.O. I.T Consulting does not provide investment advice. R.O. I.T Consulting does not give advice on settings, indicators, currency pairs, entries, exits, or any other matter regarding any particular trade. R.O. I.T Consulting does provide general settings, yet the everything should always be used after personal due diligence and verification and should never be seen as financial advice of any kind.

You agree and acknowledge further that the trade alerts (from indicators or EA) provided to you by any R.O. I.T Consulting analysis products are not, and are not intended to be, an offer or solicitation to enter into any forex transaction, or any type of trading or investment advice, recommendation or strategy. You acknowledge that it is solely your decision to determine which, if any, R.O. I.T Consulting opportunity alert to use for trading at a Foreign Exchange Broker of your choice.

You understand that past performance associated with any trade alerts offered by R.O. I.T Consulting, whether actual, hypothetical or historically "back-tested" is neither necessarily indicative of nor a guarantee of future performance or success.

By using R.O. I.T. Consulting indicators/EA and it features, you are agreeing to trade at your on risk. Deciding to trade with any alert sent by R.O. I.T Consulting products may result in the total loss of the funds that you deposit at a Foreign Exchange Broker, and you may incur losses in excess of your deposits. Leverage can work against you as well as for you and can lead to large losses as well as gains. Moreover, funds held at Foreign Exchange Broker are typically not guaranteed or insured against misappropriation or the bankruptcy of the Foreign Exchange Broker. You should only trade forex with funds that you can afford to lose.

Based on the foregoing, you agree that you shall NOT seek to hold R.O. I.T Consulting responsible for any losses associated with any trade alerts provided to you by R.O. I.T Consulting products. In the event that any claims, suits, actions, damages, liabilities, obligations, losses, or expenses (including reasonable attorneys' fees) arise out of or relate to the relationship between R.O. I.T Consulting and you, and/or any trade alerts provided by R.O. I.T Consulting to you, you agree to indemnify and hold R.O. I.T Consulting harmless therefrom.

You must actively monitor your own Foreign Exchange Broker account and never leave your open trading activities unattended. Every effort has been made to make our software error and bug-free. However, software errors and bugs are still possible. You agree that R.O. I.T Consulting will NOT be liable to you for any losses or damages incurred by you (including lost profits, trading losses, and similar damages) in event of any of our software errors or malfunction.

THIS BRIEF STATEMENT CANNOT DISCLOSE ALL THE RISKS AND OTHER ASPECTS OF THE FOREX MARKETS. YOU SHOULD CONSULT WITH YOUR FINANCIAL ADVISOR PRIOR TO TRADING FOREX

By signing up to use trade with indicators/EA products offered by R.O. I.T Consulting you agree and understand all the risks, as outlined above, with trading in an unpredictable environment.
